

ABACUS

Refining skills is an ongoing journey, and at Pilgrim, we're committed to guiding our clients through it. Our mission is to remove uncertainty and our ABACUS training aid equips you with a lightweight kit, which is designed to be used on a table top.

This empowers your team to augment their expertise and refine their routines of bolt assembly within the secure environment of a training facility prior to completing the planned maintenance activity

Included

- A table top stand to replicate the coupling hole
- One bolt Assembly
- A bolt tensioning kit to mount and dismount
- A hydraulic power pack
- Hoses and hydraulic fittings
- Instruction manual
- Neat storage box with foam inserts
